TO: All Internal Auditors and Marine Surveyors performing audits and inspection services onboard tankers

DATE: June 23th, 2021

SUBJECT: Mandatory Procedure to take pictures onboard Tankers

Dear associated

Sometimes our principal requires to take pictures of the service, especially when deficiencies had been observed. **<u>Kindly note that onboard tankers only intrinsically cameras are allowed on open deck</u>**, if your have not a certified intrinsically camera or mobile phone you must request it to the ship in case you need it. Master had been advised by managers to be collaborative in this regard.

Additionally, Iamsa Group´s Supervisor will interview you before to board the ship, he is going to remember this disposition and he will request you to fill an additional form, before to board, attesting that you have a good understanding of this disposition. Auditors/Inspectors MUST sign this attestation as evidence of good understanding of this requirement.

Auditors/Inspectors/Visitors are not allowing to use their mobile phones or cameras of these are not intrinsically safe. If Auditor/Inspector is planning to take pictures with their own intrinsically safe mobile phone or camera, he must send us a pdf copy of the intrinsically safe mobile phone or camera certificate.

Failure of this requirement will be considered as a felony according to International Maritime Regulations.
